Hammond 1593 Series Hand Held Instrument Case Black 66x66x28mm

- Electronic Instrument Enclosure ideally suited for mounting printed circuit boards
- Ergonomically designed for comfortable fit into the user's hand

Electronic instrument enclosure ideally suited for mounting printed circuit boards. The Enclosure is ergonomically designed for a comfortable fit into the users hand. A two-piece lap joint construction provides protection against dust accumulation and splashing water. Enclosures are moulded in black general purpose ABS plastic and secured with self-tapping screws.
